

LIVERPOOL FC ANFIELD STADIUM

2022 / 2023 Season

ANFIELD BEAT LOUNGE

The Anfield Beat is a lively sports bar located in the Main Stand that celebrates the city's deep connection between sport and music.

The Beatles were world famous on stage and the reds were world beaters on the pitch.

Fans can soak up the pre-match atmosphere before taking their seats in the lower tier of the Main Stand towards the Kop end to see the current world beating team in action
