

ARSENAL FC EMIRATES STADIUM

2022 /2023 Season

THE HERITAGE

Appreciate Arsenal's history in The WM, which is named after the pioneering 3-2-2-3 formation which was brought to the game by manager Herbert Chapman and team captain Charlie Buchanan in the 1920s.

Our exclusive Club Level restaurant, The WM, offers a fine dining experience that is unique to Emirates Stadium and unmatched by our competition. The Heritage package is available every match and with midfield seats, it gives you the best views of all the action. It is one of our best Matchday Experience offerings.

We can only guarantee that pairs are seated together, groups of 4+ may be separated.
