

CAZOO DERBY FESTIVAL EPSOM RACECOURSE

Friday 2 - Saturday 3 June 2023

THE WINNING POST

The Winning Post is a contemporary styled marquee located on the inside track next to the finishing line, giving you unrivalled views of the racing.

The ultra-chic restaurant offers a unique dining experience with elements of both self and silver service throughout the day, and an official after party with live music.

This exclusive space is the ultimate celebration. With finish line viewing, delicious dining and access to an official after party once racing ends, you'll never want to leave.

Private tables are available for 10 guests, with smaller numbers on shared tables.
